Powerful Partnership Between Vector Solutions and Connecticut Conference of Independent Colleges

Vector Solutions, the developers of the award-winning SafeColleges Training System, is excited to announce that we are a new affiliate member of the Connecticut Conference of Independent Colleges (CCIC). **In honor of joining, we are offering CCIC members a 20% discount on our popular employee and student training.**

Proven Leader in Compliance, Prevention, and Safety Education and Training

With the objective of creating safer and more inclusive campuses worldwide, Vector Solutions serves over 1,000 colleges and universities to help administrators address critical issues through our user-friendly training management system with engaging, evidence-based courses. Here are some of the benefits:

- **Variety of Content -** Over 170+ courses, designed specifically for higher education, for faculty, staff, and students on a wide-variety of compliance, prevention, and safety topics.

- **Cost-Effective-** Partner with one, affordable vendor, instead of multiple, to increase safety, foster prevention, drive compliance, and reduce costs.

- **Compliance -** Meet federal and state compliance mandates, such as ADA, the Clery Act, DFSCA, the SaVE Act, Title IX, VAWA, and more!

- **World-Class Support -** Our Support Team provides outstanding, customer-focused support beginning with the implementation process and throughout your entire subscription.

Engaging Courses for Faculty, Staff, and Students

Increase awareness and encourage even better decision-making among faculty and staff. And, change behaviors and encourage healthier decision-making among students.
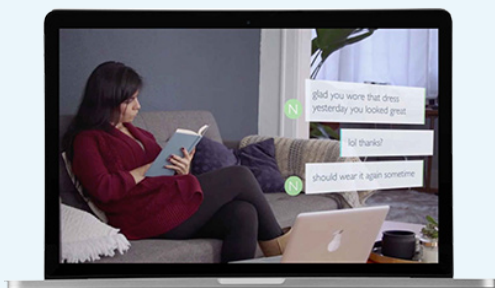

User-Friendly, Robust Training Platform

- **Automate administrative work** through training plans, email notifications and reminders, and reporting capabilities.
- **Customize our courses** to include campus-specific information and resources. Or, build your own courses from scratch.
- **Assess faculty, staff, and students'** topic knowledge with post-assessment, pre- and post-assessment, or test-out capabilities.
- **Analyze and track training data** through real-time analytics or build reports to provide to campus leadership.
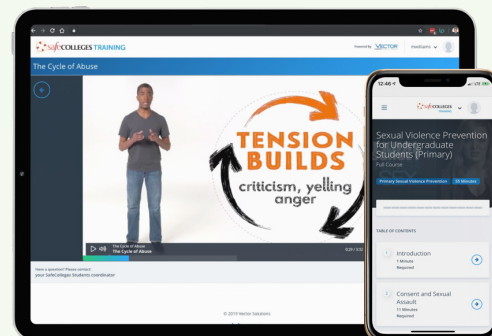

Faculty and Staff Training

- **140+ evidence-based courses** on Compliance and Safety (OSHA, Sexual Harassment, Title IX, etc.); Diversity and Inclusion; and Facilities Maintenance.
- **Authored by industry experts**, such as Alison Kiss Dougherty, Michelle Issadore, Michael Dorn, Catherine Mattice, and more.
- **In compliance with federal and state legislation.** Courses help you comply with the Clery Act, OSHA, Sexual Harassment Mandates, Title IX, and more.
- **Designed to engage faculty and staff** through video elements and realistic scenarios to help increase awareness and encourage even better decision-making.

Student Education and Training

- **30+ engaging, research-based courses** on Alcohol and Drug Abuse, Campus Life, Diversity and Inclusion, Sexual Violence Prevention, and Wellness.
- **Prevention-focused by design.** Courses are reality-driven and include peer presenters and real-life testimonials to stimulate change in students attitudes and behavior.
- **Customized by Student Type.** Courses are customized by student type (Undergraduate, Graduate, etc.) and by roles (Athletes, Orgs).
- **In compliance with federal and state legislation.** Courses help you comply with the Clery Act, DFSCA, the SaVE Act, Title IX, VAWA, and more.
