Membership Directory

Welcome

We are pleased to present the latest edition of the Membership Directory of the Connecticut Conference of Independent Colleges (CCIC).

- Please use the CCIC Directory to make valuable contact with personnel in similar positions at other institutions.
- When seeking vendors and service, we encourage you to review our Corporate Affiliate Program Member information, beginning after the member institution listings.
- The Directory is updated several times each year. Please email any changes or corrections to us at directory@theccic.org.

CCIC has identified fourteen institutional positions that are common across all campuses. While the titles may vary, the roles are similar. To maximize the usefulness of the directory for mailings and communication with individuals in similar roles, the fifteen positions are consistent, as numbered below, for each member.

Please note that when an individual fills multiple roles on campus, the contact information is repeated.
